

SIDEWALLS & WINDOWS FOR STRETCH TENTS

WWW.NOMADIKTENTS.COM

INTRODUCTION

ALL-SEASON COVERAGE – EXTEND YOUR RENTAL SEASON

We offer Stretch Tent Side Wall Systems engineered for all-weather rain and wind protection, offering both comfort and style.

Designed to retro-fit any stretch tent and suitable for both rental tents and customised permanent installations.

Our all-weather sidewalls are quick and easy to install and protect guests from adverse weather without compromising the strength or structure of the tent.

Available as sets or individual panels
Windows come in clear PVC and solid fabric walls.
